1. Review of Year-end Report

2. Follow up and comments on LMS discussion from April

- a. Committee would like “feedback on the feedback” from Interim CIO/Provost; would like to know if the information shared was helpful and constructive
- b. Where is the University going with this? How will it proceed from here?

3. DISCUSSION: FSTC Representation on Tech Fee Advisory Committee

- a. Committee would like for the faculty representative on the committee (Hassan Zahedi and Jacek Kolasinski) to report back to the committee regarding discussions, decisions, etc.
- b. Committee will submit a formal request for these faculty members’ reports in the Fall semester

4. Old business

- a. Question/discussion of PantherSoft “import grades” feature
- b. Question/discussion of College of Law hosting a Faculty liability presentation or roundtable discussion; not an FSTC issue, but could be forwarded to Faculty Senate; Are there technology issues within that? Should take a look at policy.fiu.edu
- c. Question/discussion on procedures for intranet and departmental committee documents

5. New business- none
