1. Approval of the Agenda

2. Approval of minutes, 9/29 meeting

~~3. Election of Officers for 2011-2012~~

4. UTS Report

- a. Training for PeopleSoft (HR) will begin shortly; should be transitioned by January
- b. Security- ITS security conference; Oct. is security awareness month; compliance and policy; everyone is invited; taskforce has been put together to look at security, architecture of FIU network/servers/technology; if anyone would like to participate in the group they are welcome to; goal is to secure sensitive systems
- c. Moodle info (see below)

5. Old Business

- a. n/a

6. NEW BUSINESS

- a. Discussion: Moodle & Learn 9
 - i. We are completely on Moodle now; will be launching Moodle 2.0;
 - ii. UTS should directly address the rumors surrounding the move to Moodle vs. Learn 9; messages, address from Bobby
 - iii. Multiple members reported that their chair/Deans told them that we are moving to Learn 9

- b. What of technologies that the university systems may not be prepared for? Such as Skyppe or other heavy bandwidth, specialized port tools, etc. Heavily used to bring in guest speakers, interview candidates, committee meetings; need and want to use the tools that the rest of the world, colleagues, users, students are using; balance between practical and perfect
- c. Updates on Clickers Committee & Survey Systems Committee
