

GLCOC – 4/23/13 – Meeting minutes

Convened 1:38

In attendance: Rick Tardanico; Shonali Laha; Moses Shumow; George Pearson; Jean Rahier

Minutes from last meeting; approved

1. AFA 3XXX

The committee voted to approve with no changes; unanimously approved

No problems with syllabus; no revisions suggested
(Rahier recused, syllabus originated from his department)

2. LBS 4154

The committee voted to approve with minor revisions; unanimously approved .

Minor comments - We've usually indicated that the student/global learning outcomes need to be the same on the matrix and the syllabus (it's already done, Jean ended up with the wrong syllabus); strengthen the Perspective GL outcome through the language being used and perhaps with the teaching artifacts

3. OCE 3014

The committee voted to approve with minor revisions; unanimously approved .

Needs to clarify to whom GL outcomes are being addressed within the week by week outlines (add essential questions); clarify a few problems with the assessment matrices

4. REL 3162

The committee voted to approve with minor revisions; unanimously approved .

Small changes to assessment, some of the wording is different between the matrix and the syllabus

5. WST 3XXX

The committee voted to approve with minor revisions; unanimously approved .

Need to be clear that we are assessing the *students*, not the course overall

6. Vote on Global Learning Minor from Communication Studies

The committee voted unanimously to approve the Global Learning minor

7. Approving removal of GL designated courses:

The committee voted unanimously to approve removal of Global Learning designation for both courses - INR 4013 and POT 3302.
(Shonali Laha recused as she is the faculty of record for one of the courses)

8. Meeting adjourned by Tardanico.
