

GLCOC – 1/9/13 – Meeting minutes

Convened 1:40

In attendance: Rick Tardanico; Shonali Laha; Moses Shumow; George Pearson (absent – sent comments); Jean Rahier (absent)

Minutes from last meeting; approved

1. AFA 4301

The committee voted to approve with minor changes.

The committee had the following reservations/suggestions:

- Articulate the types of problems students will grapple with to develop their global engagement.
- Support students writing evidence-based arguments in their papers through thesis development and critical reading.
- Work with the Office of Global Learning Initiatives to make minor revisions to the GL course outcomes and assessment matrix.

2. EVR 1001

The committee voted approve.

3. SYD 4451

The committee voted approve with minor changes.

The committee had the following reservations/suggestions:

- In the assessment matrix, clarify the evaluation method used for the global awareness course outcome.
- Include assessment information from the matrix in the course syllabus.

4. POW 3XXX

The committee voted to approve.

5. GLY 4881

The committee voted to approve.

6. LIN 4XXX

The committee voted to approve.

7. EDF 3251

The committee voted to approve.

8. The committee voted to include the following language in its Policies and

Procedures:

i. When a department or program determines that a course is not meeting the requirements for GL designation, the department or program makes its concerns known to the Committee and work with it to rectify the situation. Where sufficient progress is not made, the Committee may recommend to the Faculty Senate that the course's GL designation be removed.

The committee will explore an alternative meeting date for B6, 4/24-26.

9. Meeting adjourned by Tardanico.
